

CURRICULUM VITAE

Personal data

Last name : Mol
First name : Leon
Titles : MSc, PhD
Address : 's Heerenhoeksedijk 44, 4453 RB 's Heerenhoek
Date of birth : 30 March 1965

Profile

By education, professional experience and other activities, I am able to implement a broad range of activities. The analysis of developments of processes and the translation of its conclusions in specific goals and results are my strong points and have my interest. I have a broad experience with the development, management and implementation of various projects at local, national and international levels. I contribute to the success of the activities by the right combination of down-to-earth mentality, perseverance and flexibility.
